Parents partnership

GURU SHISHYA PARAMPARA

TEACHER STUDENT PARTNERSHIP

The role of a parent is **CRUCIAL** in the partnership

- Habits and attitude
- Teachers depend on or expect right attitude and habits before they come to school each day.
- Habits include their habits and gunas. Let's make gunas into their character. Let this become a family and school culture.
- Daily RAP (Review Apply Prepare) makes your child participate and eager to come to class. Participation in class is the best rubric. Child participation helps the teacher to know how much the student has learned. Let's make this a habit, it reduces stress.. The teachers had made sure by age by class they have carried rapport building lesson plans
- PLUS - Plus is a counselling session to parents to expect to see which rewards are useful to get the best out of them and what dysfunctional behaviour you can expect at that age. Be aware of the steps that the school would have to take if your child crosses the threshold of poor behaviour. Sometimes it reflects parenting.
- SMP - SMP (Student mapping program) is a very deliberate effort with digitized files of your child's progress. Please become aware of it and understand the tools that you can use to partner the teacher. Reports from subject teachers and coaches are all brought in. Help the teachers update the student portfolio diligently and regularly each year so that you learn about your child and teachers can know about their students. All this resides in the cloud including medical and dental. Please update the medical and dental detail whenever your child visits the doctor.
- Annual calendar - Annual calendar is an important partnership tool to know when we are showcasing your children and possibly giving award or recognition. We need your help and support in getting the best out of the students.
- Please make sure of making an appointment with the first point of contact Student Development Specialist (SDS) Please remember that SDS is the person that keeps the SMP file up to date.
- **OUTCOME - GIVING BACK MORE THAN YOU GET.**
